

# SAMARCO TECHNICAL SEMINAR 2025

*Learning Together*  
to always evolve

**We are happy to have you in our operations in Minas Gerais!**

The **Germano Complex** is located in Mariana and Ouro Preto, municipalities of mining background that are relevant to the history of Minas Gerais and Brazil.

The Germano Complex comprises the Alegria mines, where iron ore is extracted, the beneficiation plant with its three concentrators, the filtration system and the Alegria Sul pit, and the Germano pit and dam. Still in this unit, we have Pump Station 1 and the beginning of the first Brazilian ore pipeline.

To get to the Germano Complex, you will need a **flight from Vitória to Belo Horizonte on Thursday, June 05**. On the next day, Samarco will take you from the hotel in Belo Horizonte, and after a 3-hour road trip, you will be at Germano. Please find all the details on the next pages.

**We are looking forward to seeing you at Germano Complex!**

We suggest that you take the flight below  
**on Thursday, July 05:**
